biomarkers, liquid biopsy, circulating tumor DNA, ctDNA, tumor growth, treatment response

A Corrigendum on Blood, toil, and taxoterres: Biological determinants of treatment-induced ctDNA dynamics for interpreting tumor response

by Boniface CT and Spellman PT (2022). *Pathol. Oncol. Res.* 28:1610103. doi: 10.3389/pore.2022.1610103

In the published article, there were two typographical errors in the article title. Instead of “Blood, toil, and taxoterres: Biological determinates of treatment-induce ctDNA dynamics for interpreting tumor response.” It should be “Blood, toil, and taxoterres: Biological determinants of treatment-induced ctDNA dynamics for interpreting tumor response.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
